S TORE
1. Store the vaccine in the recommended cold storage at or below -20°C. Do not refrigerate.
2. Do not open the vial cartons or remove vials until you are ready to thaw, transporting, or administering.

T ALL DOSES AND USES
1. Prepare individual 0.3 mL doses from the diluted multiple dose vial:
   a. Before dilution, invert vaccine vial gently 10 times.
   b. Remove the needle from the diluent vial. Do not use if any particles are observed.
   c. After dilution, the vaccine will be an off-white suspension. Do not use if vaccine is discolored or contains particulate matter.
   d. Inspect the liquid in the vial prior to dilution. The liquid is a white to off-white suspension and may contain white to off-white opaque amorphous particles.
   e. Thaw at room temperature (up to 25°C [77°F]) for 30 minutes.
   f. Do not shake.
   g. Before dilution, inspect the liquid in the vial. The liquid is a white to off-white suspension and may contain white to off-white opaque amorphous particles.

E QUILIBRATE AND DILUTE MULTIPLE VIAL DOSE
Using a thawing method, worst case mean temperature before dilution and thaw must be obtained within 2 hours (excluding thaw time). Do not reference thawed vials.

P REPARE AND ADMINISTER MULTIPLE VIAL DOSE

1. Thaw at room temperature up to 25°C (77°F) for 30 minutes.
2. After dilution, the vaccine will be an off-white suspension. Do not use if vaccine is discolored or contains particulate matter.

Important Safety Information
The Pfizer-BioNTech COVID-19 Vaccine is for subcutaneous use only. The proper administration technique is an intradermal injection in the upper arm, thigh, or buttock muscle. For information on the proper administration technique, please see the video at www.cvdvaccine-us.com.

AFELY DISPOSE AND SHIP BACK MATERIALS
1. Discard vaccine materials that have been exposed to adverse conditions, including extreme temperatures.
2. For information on returning the thermal shipping carton, refer to the Shipping and Handling Guidelines included in your shipment or visit www.cvdvaccine-us.com.
